Fredericksburg, VA 22407  
540-891-7800  
[info@kbimusicshoppe.com](mailto:info@kbimusicshoppe.com)

Here are the options for your rental instrument.

### **OPTION 1 - CONTINUE RENTING THE INSTRUMENT**

If your student plans on continuing band or orchestra next year, you may continue renting the instrument throughout the summer. This is great because your student can continue to play their instrument throughout the summer and you continue to pay towards the purchase price of the instrument. KBI offers lessons on all musical instruments. Summer is a great time for your student to continue to grow as a musician!

Please contact us if you would like to have the instrument serviced over the summer to have it ready for next year.

### **OPTION 2 - PAYOFF THE INSTRUMENT**

You may pay off the balance due on the instrument at any time and you will own it. Please call and we will give you the payoff balance. Once your instrument is paid off, you will have 30 days to bring it in for final “check up”. At that time you want to consider purchasing a Maintenance Agreement to help cover future repairs.

### **OPTION 3 - RETURN THE INSTRUMENT**

If your student has decided not to continue in band or orchestra and/or you want to return the instrument and cancel the contract at the end of the school year:

1. Notify us by phone (540-891-7800), email ([info@kbimusicshoppe.com](mailto:info@kbimusicshoppe.com)), or fill out our convenient **“Ready to Return”** online form.
2. KBI will contact you to schedule either a home or school pick up.
3. If you plan on leaving your instrument at school, please fill out our **RENTAL RETURN** Form and attach it to your case.
4. Give your instrument to your band or orchestra director by the pick up date for your school.

You may also return the instrument to our store location at:  
4950 Southpoint Drive, Fredericksburg, VA.

Please give us a call if you have any questions. It has been a pleasure working with you and your student so they can be part of the music program and “Play Their Song”.
